\* **Merit Increase** – Jennifer followed up on last week's discussion of awarding employees earning \$50,000 or less a merit increase of +2%. All other merit increases are suspended. Discussion was had about raising

the base of eligible merit increases to \$60,000. Jennifer also explored using job level instead of a salary level to determine eligibility. It was agreed to implement the merit increase on employees making less than \$50,000 per year.
